WORLD CHOIR GAMES

Shaoxing, China

The ethos of the World Choir Games is that “music is the universal language of the world”, where taking part is the highest honour. This event provides your choir with the opportunity to perform in front of a world audience, with choirs attending from over 90 countries.

The host city of Shaoxing is one of China’s foremost cities for history and arts. In 2010, Shaoxing (known as “The Venice of the East” accredited to its stunning

beauty, countless canals and more than 4,000 stone bridges) will celebrate the 2,500th anniversary of its founding.

An artistic highlight for every choir is the opportunity to perform at the World Expo 2010 in nearby Shanghai.

Exhibit your talents in the world’s largest choir competition!

Lock in tour arrangements by 31 August and your choir will receive a Sunlover holiday valued at \$1000 to kick start your fundraising!
